An Appeal for funds for Covid-19 Relief Activities

The second wave of covid-19 pandemic is sweeping all over the country. Medical infrastructure is under heavy strain as large numbers of affected people need treatment and care at once.

In these circumstances, the Students Home has decided to participate in the care and treatment of Covid patients and to support the Covid front line warriors.

1. Supply of Covid care kits to those who tested Covid positive and staying in their home care:

Once the affected person is under Home care, lot of things is needed for their care in their homes.

Pulse Oxy meter, vitamin tablets, digital thermometer, face masks, sanitizer, soap, packets of kabasura kudineer and adhimaduram to boost their immunity, multi vitamin and zinc tablets and others.

Cost of one such kit is estimated at Rs.2500. We have planned to cover 1000 patients in the first phase. Estimated cost – Rs.25 lakh

2. Help to Covid front line warriors:

We intend to distribute vapor inhalers and stainless steel flasks to those who are fighting the corona pandemic from the front – doctors, nurses, lab technicians, other hospital staff actively involved in the treatment of patients and health care workers.

For 1000 such warriors we plan to distribute stainless steel flasks, steam inhaler vaporizers worth Rs.1200 per person. Estimated cost Rs.12 lakh

Total estimate for the above activities: Rs.37 lakh.

We appeal to you to come forward to help the afflicted people in these hours of national crisis.
